

Eco League Scholar in Residence Program

Residency Roster Profile

Please send this proposal to Eco League Coordinator, Edie Dillon (edillon@prescott.edu).

Your name:

Eco League College where you teach:

Courses you teach:

Brief Biography (give website if applicable)

Particular interests in your field

The *Scholar in Residence* agrees to give at a formal talk at the host college, work with a class or two, and give a brief talk at the home college when they return. What are the topics that you would be interested in presenting to a host college during a residency?

What periods of time are you available? (You may want to consider a residency when you are already in another school's region.)

The Residency Roster is available for review by faculty at all the other Eco League schools. Faculty will gain approval from their deans and will contact you directly to invite you to participate in a residency.
